

CURRICULUM VITAE

RONALD L. YOUNG, II, M.D.

EDUCATION

University of Oklahoma College of Medicine
Doctor of Medicine
August 1986 - June 1990

University of Oklahoma, Norman, Oklahoma
Bachelor of Science May, 1986
Major: Zoology

EMPLOYMENT EXPERIENCE

The Graduate Hospital, Philadelphia, Pennsylvania
Resident Physician, Department of Surgery
June 1990 - '91

University of Massachusetts Medical Center, Worcester, Massachusetts
Resident Physician, Division of Neurosurgery
July 1991 - June 1996

University of Arkansas
Arkansas Children's Hospital
Clinical fellow: Pediatric Neurosurgery
July 1996 - June 1997

University of Texas-Houston
Assistant Professor
Division of Pediatric Surgery
Department of Neurosurgery
July 1997 - June 2000

Goodman Campbell Brain and
Spine
Chief of Pediatric Neurosurgery
Chair of Cooperative Brain Tumor
Conference
St. Vincent Hospital
Indianapolis, Indiana
July 2000- July 2016

Terre Haute Regional Hospital
Neurotrauma Coverage
July 2016 to June 2017

Brain and Spine Center of South Florida
June 2017 to present

STATE LICENSES

Indiana
Florida

PROFESSIONAL MEMBERSHIPS

American Association of Neurological Surgeons
Congress of Neurological Surgery

BOARD CERTIFICATION

Diplomate of the American Board of Neurological Surgery

ONGOING ACTIVITIES

Consultant for Synaptive Medical Corporation
Surgical proctor for NICO Corporation for BrainPath

PUBLICATION/PRESENTATIONS

Cranial Expansion for Treatment of Cranioccephalic Dysproportion: Pediatric Section of AANS Dec. 1996

Textbook of Peds Neurosurgery

Pediatric Neurosurgical Intensive Care: University of Texas-Houston, October 1997

Surgical Treatment of Arachnoid Cysts in Children: University of Texas-Houston, June 1998

Endoscopic Management of Hydrocephalus Secondary to Tumors of the Posterior Third Ventricle: Neurosurgical Focus 7(4) 1999

Fetal Myelomeningocele Repair, Do We Continue?: University of Texas-Houston, April 2000

Endoscopic 3rd Ventriculocisternostomy: Indications and Technique: St. Vincent Hospital Indianapolis, October 2000

Endoscopic Management of Colloid Cyst: AANS Course on Cranial Neuroendoscopy, Memphis 2001

Pediatric Spine Injuries: St. Vincent Hospital Indianapolis: February 2001

Congenital CNS Lesions: St. Vincent Hospital Indianapolis: August 2001

Spasticity and Movement Disorders: Indianapolis, June 2003

Concussions in Athletes: St. Vincent Sports Medicine Clinic: September 2001

Tethered Cord Syndrome: Columbus Regional Hospital, Columbus Indiana, December 2002

Endoscopic Resection of Colloid Cysts: AANS Course on Neuroendoscopy, Memphis TN, December 2003

Funny Shaped Heads: St. Vincent Hospital, Indianapolis, May 2004

When a Headache is More Than a Headache: St. Vincent Hospital, Indianapolis,
March 2005

Endoscopic 3rd Ventriculostomy, University of New South Wales, Sydney, Australia:
August, 2005

Clinical Management of Patients with Normal Pressure Hydrocephalus:
World Congress of Hydrocephalus, Queenstown New Zealand: August 2005
Ongoing Presentations:

Neuroendoscopy: OR Setup and Choice of Equipment

Complications/Avoidance of Cranial Neuroendoscopy, Aesculap Course on Cranial
Neuroendoscopy

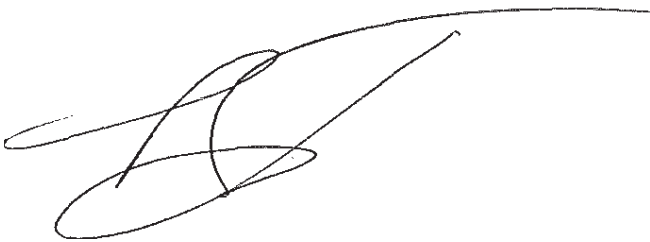

Endoscopic Management of Complex Hydrocephalus and Arachnoid Cysts
University of Sydney, Sydney, Australia: November 23rd, 2007

Endoscopic 3rd Ventriculostomy, Indications and Technique
Barrow Neurologic Institute, January 18, 2008

Instructor: 6 Pillars Minimally Invasive Cranial Neurosurgery
Course November 2012 to present

The Safety and Feasibility of Image-Guided BrainPath-Mediated
Transsulcal Hematoma Evacuation: A Multicenter Study
Neurosurgery June 2016

Minimally Invasive Transsulcal Resection of Intraventricular and
Periventricular Lesions Through a Tubular Retractor System:
Multicentric Experience and Results
World Neurosurgery

A handwritten signature in black ink, consisting of several overlapping loops and a long horizontal stroke extending to the right.
